AMENDMENT AND RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Applicant provides an amendment in response to the Notice of non-compliant amendment of June 14, 2007. A listing of the claims is provided starting at sheet #2 of this paper. Remarks from the response of April 3, 2007 are incorporated as if fully set forth herein by this reference thereto.

The Examiner finds that claims 3 and 32 bear an improper status identifier because the expression "cancelled" is not enclosed by parentheses. With respect, Applicant notes that the above form has met with virtually universal acceptance by the Examiner corps until the present notice. Nevertheless, for the sake of expediency, Applicant makes the change requested. The Application is therefore deemed to be in allowable condition. Reconsideration and prompt allowance is earnestly requested.
